September 2022: Detainees want to say – “Thank You”

As I walk into the living quarters visiting and disseminating religious materials, Detainees always tell me to please let the prayer warriors and donors know how much we appreciate them. So, I asked a few of the Detainees to write thank you notes or a small testimony to be shared with you.

Below are some of the actual notes from the Detainees to you:

- Since coming to the Detention Center, God used this ministry to reach and save my soul. My life continues to change every day. And my family is noticing the changes God is doing to me. The family and I are coming together. I have more joy in my life than ever before. Thank you so much for your help with this ministry. (J-POD)
- Today, I can say I am grateful for being at Garland County. This ministry has strengthened my faith and my relationship with Jesus. My faith is stronger than ever before. This ministry has helped me understand scripture and the direction of God in my life. Thank you for your help and your prayers. (J-Pod)
- Hello, I have been at the Detention Center almost a year. I have used this time to get a firm understanding of the Lord and His Word. Today, I have an INCREDIBLE relationship with the Lord, Jesus Christ. Presently, I have a feeling in my soul that I have chased for years. A feeling of fullness. Finally, I feel complete. Thank you for supporting this ministry. (A-Pod)
- Good day, I have been at Garland County 2.5 years now. I always knew I wanted to get close to Jehovah. Since being here I have used this time to learn about God and the Bible. I have never been this close to God in all my life. This is the most incredible feeling ever. You must be with the Lord to understand. I cannot thank you enough for supporting this ministry. (J-Pod)

As I typed these notes from these Detainees my heart was touched. And I hope yours is as well. We see many Detainees make a HUGE transition while they are here. This transition can only be of God and the power of the Holy Spirit.

As the Detainees wanted to tell you thanks for your support, I do as well. Please understand your prayers and donations are entering names in the Lamb's Book of Life.

Without your support this ministry would not be possible. Again, thank you.
