Who We Are

Garland County Jail Ministries, Inc. (GCJMI) is a ministry to the Garland County Sheriff's Department, Deputies, Detainees and their families. GCJMI was established in 1991.

Our purpose is to provide inmates and their families a Christ-centered ministry through Christian Education,

discipleship training, and pastoral care leading toward physical, spiritual and emotional growth through a personal relationship with the Lord Jesus Christ.

Department of Justice statistics reveal that within three years of their release from prison, 63% of inmates had been re-arrested on felony charges or serious misdemeanors.

Now is the church's golden opportunity to change inmate's criminal behavior by using volunteers to share God's love and redemptive grace.

What We Do

The Chaplain provides one-on-one counseling to men, women and juveniles who are incarcerated at the Detention Centers and acts as a liaison between the Sheriff's Office, churches and other civic organizations.

The Chaplain also oversees religious activities at the Detention Center, recruits and trains volunteers, coordinates pastoral visits and is in charge of bringing death notification to inmates

Volunteers play an important role in leading inmates to a personal relationship with the Lord Jesus Christ. They do this by participating in the following programs and services:

- * Leading Group Bible Studies
- * Conducting Worship Services
- * Praying one-on-one with inmates

- * Distributing Complimentary Bibles
- * Promoting Free Bible Correspondence Lessons
- * Distributing Christian Education Materials & Devotionals

Volunteers also assist the Chaplain with administrative and development activities.
